Mr. Dulles (Continued):

General Cabell:

Raised the question of Saturday and Sunday Duty Officers in the various divisions of DD/P, and in particular WH, during the time PBSUCCESS is active. [] pointed out that WH did have a Duty Officer on these days and at the time the Director had attempted to contact him on Sunday, 16 May, he was, in fact, taking a cable to the office of DD/P. The Director stated he had had no difficulty in reaching Mr. Wisner in his office, however, he did feel that during the present world situation there should be a responsible Duty Officer in the DD/P area on Saturdays, Sundays and Holidays. Mr. Wisner said this was now in effect. Mr. Sheldon suggested that a copy of the DD/P duty roster be furnished the OCI Watch Officer, since the latter often received calls pertaining to DD/P problems. The Director approved and [] undertook to ensure that a copy of such rosters are furnished the OCI Watch Officer.
